1. In the summer of 1951 a WOP (Frontier Guard) unit was stationed in Miedzydroje. The unit was of battalion strength and was commanded by an unidentified captain. The battalion was used for guard duty in the following areas: Swinoujscie (Swinemuende), Wiselka, Miedzywodzie and Dziwna.
2. Observation towers 15 meters high were located in Dziwna, Miedzywodzie, Wiselka and Miedzydroje. There were control points and road barriers on the road between Swinoujscie and Miedzydroje and in Wiselka. The road between Miedzywodzie and Dziwna was completely closed to civilian traffic. During the day guards were stationed in the observation towers, and patrols along the highway checked documents. No one was allowed on the beach later than 11:00 p.m. Night patrols passed any given point on the beach and the highway every half hour.
